300 YEARS OF WREN CYCLING TOUR

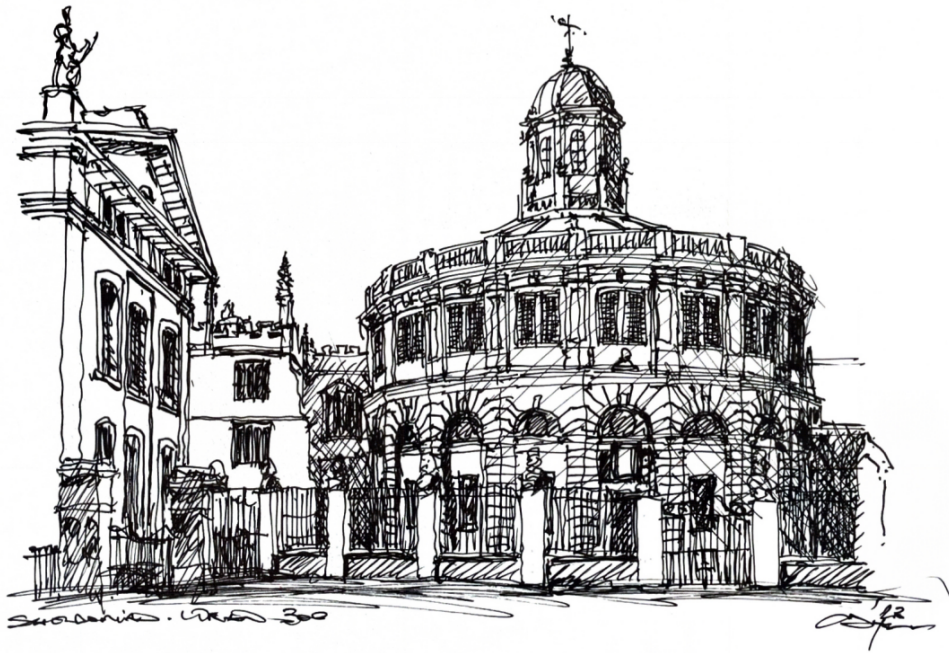

OXFORD - CAMBRIDGE

2 JUNE 09:00 - 3 JUNE 16:00

To celebrate 300 Years of Sir Christopher Wren, Club Peloton have teamed up with the City Livery Companies, and we're linking two cities with a cycle to take in some of the stunning architecture which has been created and remains a lasting memory of his impact.

2nd June - meet in Oxford at the Sheldonian, with bikes, and do a tour of the city, before re-grouping for lunch just north of the city. From there we'll make our way to Bletchley for an overnight, with a coffee stop half way.

3rd June - we'll set off for Cambridge, with a planned stop mid-morning. In Cambridge there'll be a city tour on bikes to take in the Wren buildings before being reunited with your overnight bags, which the support crew will have transferred for you from Oxford to the finish in Cambridge.
